

Get started with your iPad...

The iPad you will receive will have no app installed. In order to get the apps provided by ETSB, you will have to accept an invitation sent from ETSB's Meraki system. It is important that the Invitation sent by Meraki is accepted in order to get the apps that will be used in class. Here are the steps required to accept the invitation.

- 1- **Type in your password :** The first time you turn on your iPad, it will ask you for your password. Type in your birthdate in YYYYMMDD format. This will give you access to your e-mail. It might take a few minutes before this pops up, if it doesn't try going into Settings – Mail, Contacts, Calendars – ETSB EDU – Account : and enter the password there.
- 2- **Create an AppleID :** Create a free account using your new e-mail address (Student#@edu.etsb.qc.ca). To do so, go to : Settings – iCloud – Get a Free Apple ID. Make sure you type in your e-mail address well, the Student # contains 7 numbers.
- 3- **Verify your e-mail address :** You will receive an e-mail from apple to verify your e-mail address. Open it and follow the instructions
- 4- **Sign-In to your iTunes account :** Go to Settings – iTunes & App Store and sign-in with your new AppleID.
- 5- **Accept the Meraki Invitation :**
 - a. You should have an email from Meraki in your inbox, click on the invitation link:
 - b. When asked for your iTunes account, enter your AppleID and Password correctly and accept Apple's Policy.

A few hours after those steps are completed, the applications assigned from the ETSB will be available in the App Store in your Purchased Items. It's not necessary to install them all on your device, those apps will be available to you for the entire school year.
